1. EXECUTIVE OVERVIEW & OPERATING PHILOSOPHY

This master document provides the complete, integrated operational, technical, legal, and financial blueprint for **OTIS Commercial Cleaning** in Greater Montreal. The enterprise is engineered to run on a **fully autonomous AI staff architecture**, freeing executive leadership (Zan and Max) from day-to-day administrative drag, manual lead chasing, rate calculations, and dispatch coordination.

Zan's Tri-State Approval Philosophy:

Executive management never touches raw data entry or manual drafts. The 8 specialized AI agents execute all research, legal checks, equipment calculations, and proposal drafting autonomously. Actions aggregate to Zan's command console with exactly 3 options:

• Option 1: YES / APPROVED

— Executes immediately. Dispatches proposals, logs walkthroughs, and schedules crews.

• Option 2: NOT APPROVED

— Kills sequence instantly and archives. Zero wasted hours or exposure.

• Option 3: DO IT THIS WAY & WHY

— Strategic executive directive. Staff re-plans, adjusts pricing/copy, and re-executes in <15 seconds.

MODULE 4: QUEBEC LABOR & CPEEP PARITY DECREE COMPLIANCE

Enforced by **Émile (Quebec Legal Sentinel)**. Commercial cleaning in Greater Montreal is legally governed by the *Decree respecting building service employees in the Montreal region (CPEEP)*. Non-compliant contractors expose themselves and their clients to severe joint liability. OTIS uses decree compliance as an offensive sales weapon.

Mandatory Legal Labor Cost Economics (CPEEP March 2026 Statutory Schedule):

- **Class B Base Cleaner Wage: \$23.25 / hr** (Mandatory statutory floor).
- **Statutory Burden (34.0%)**: CNESST worker safety insurance (4.8%), QPP/RRQ (5.95%), Employment Insurance (2.28%), QPIP (0.69%), Statutory Holiday & Vacation Pay (8.0%), CPEEP Parity Committee Levy (0.5%), Health Services Fund (4.26%), Uniform/Safety Allowance (1.52%).
- **Real Hourly Labor Break-Even Cost: \$31.15 / hr** per operative.
- **OTIS Commercial Billing Floor: \$38.00 – \$48.00 / hr** (Guarantees 38%–45% operating gross margin).

CPEEP Parity Committee	Mandatory minimum wages (\$23.25/h) and monthly employer levies.	Civil wage claims; retroactive assessments against the building owner.	Attestation de conformité CPEEP issued with every commercial proposal.
