Who We Are

Tells the OTIS story — why they started, what they stand for, and what makes them different from every other cleaning company in Montreal.

The OTIS Story

Founded in 2020 during the pandemic, OTIS was built on the belief that a clean space is an essential service — not a luxury. The About page brings this story to life with real content pulled directly from their website.

Core Values Displayed

- **Reliability** — Show up every time, no exceptions
- **Communication** — Transparent with every client
- **Consistency** — Same standard, first clean to fiftieth
- **Eco-Friendly** — Sustainable, safe products

HOW TO GO LIVE

Next Steps

Your new website is ready as a single self-contained HTML file. Here's how to share it, get feedback, and launch it.

01

■ Share the Preview

Go to netlify.com/drop and drag the HTML file onto the page. You instantly get a live public URL (e.g. <https://otis-preview.netlify.app>) to share with anyone via WhatsApp, email, or text. Free — no account required.

02

■ Collect Feedback

Share the Netlify link with your team. Test on mobile and desktop. Click every nav link, every service card, and submit the quote form to confirm everything works as expected.

03

■ Request Revisions

Need to add photos, change text, update prices, or add a testimonials section? Share the specific page and requested change — updates are fast.

04

■ Connect to otiscc.ca

Once approved, the site can be deployed to replace the current Odoos website. Point the DNS of otiscc.ca to the new hosting and the upgrade is live — same domain, dramatically better site.
